FEATURES

CONSCIOUS DESIGN

The HÅG Tion is the solution to constantly evolving workspaces, effortlessly adapting to the trends of the 21st century workspace. Created at the intersection of intuitive design and mindful innovation, the HÅG Tion is flexible, sustainable seating, perfect for office or work-from-home settings—or anywhere comfort and productivity intersect. Using smart engineering, the HÅG Tion supports users throughout their workflow with active seating for a healthy workplace.

COLOR CHOICES

The HÅG Tion comes in a hand-selected variety of colors and textiles—all chosen to complement the contemporary design. Eye-catching monochromatic color options make a statement in any space. And visualizing the possibilities with Chair Designer helps customers explore the abundant color and fabric options before making a decision.

WORK & WELLNESS

The HÅG Tion was designed with the concept of flexibility at its core. For flexible interior design, its aesthetic fits anywhere. But it also physically flexes to comfortably support users. The unique HÅG inBalance® movement mechanism moves in sync with the body throughout the workday, boosting wellness alongside productivity.

SUSTAINABILITY LEADER

Made with an impressive 75% recycled and renewable materials and leaving a low carbon footprint, this is seating that users can feel good about. Designed for disassembly and made using as few components as possible, the HÅG Tion was built to last a lifetime and comes with a limited lifetime warranty. The HÅG Tion is BIFMA LEVEL 2 and GREENGUARD GOLD certified.

WE THINK THE HÅG TION
IS THE MOST SUSTAINABLE
TASK CHAIR IN THE WORLD.
