If your Aria chair has arms, they may be black conference arms or one of four adjustable arm designs. These adjustments could include arm height, arm width and arm pad with front/back or swiveling motions.

Depending on which Synchro Tilt action your mid-back chair has, you can lock the back upright, or in one of 3 tilt-lock positions.

Aria high-back chairs have an Intensive Synchro Tilt action with 4 tilt-lock positions. Adjustable seat slider allows a comfortable sitting posture.
