CYDIA

- Inspired by the shape of butterfly wings, the form of the seat and back give Cydia style, comfort.
- Mid-size chairs include scaled down seat and back.
- High grade woven mesh for backs and seats is available in 11 colors.
- Cydia frames are available in Black, Gray or White.
- For mesh, wipe with a cool, damp cloth.
- For frames, wipe with a damp cloth as needed.
- The adjustable lumbar option provides additional comfort while sitting for extended periods.

If your Cydia chair has arms, they may be fixed loop arms or 6-way adjustable 'T' arms. Adjustments could include arm height, arm width and arm pad with front/back motion.

Your Cydia chair comes with one of two tilt controls. The Swivel Tilt control allows smooth reclining and locks in the upright position. The Knee-Tilt control moves the tilt point forward which reduces seat rise and pressure points under the knees when reclining and has 5 locking positions.
