

# COM Textiles

In order to offer optimal customization with our upholstery, customers must indicate a railroad orientation on a purchase order. Fabric manufacturers suggest within the specifications if a fabric pattern is recommended for railroad orientation. Railroad or horizontal orientation requires more fabric than vertical orientation, so keep this in mind when ordering COM fabric.

\*COM fabrics are approved for all 9to5 Seating chairs except where noted below.

<u>Manufacturer</u>	<u>Pattern</u>	<u>Upholstery</u>	<u>Series/Model</u>
