

FEATURES

VERSATILE BY DESIGN

The Aria collection offers a wide selection of models, options and mesh colors to suit a variety of applications including task, conference and collaborative. A wide range of back, arm, control and base options create an assortment of customization opportunities that make Aria versatile and easy to integrate into any workspace environment.

ERGONOMIC DESIGN

Aria is loaded with ergonomic options including multiple controls, adjustable height lumbar, adjustable arms and seat slider (Y4 control only). Fixed arms also available for conference and meeting rooms. Mid and high back models provide fit for varying body sizes.

DESIGNED FOR COMFORT

Aria's advanced design features create a unique statement in form and function. The suspension seat incorporates high performance mesh overlaid with high-density molded foam. The result is both extreme comfort and long-term support.

PROVIDES REVOLUTIONARY COMFORT.
