A SLIM SIDEKICK

With a lightweight frame and lean profile, Clary makes portability and smart space planning easy. Available in mesh or upholstered back, Clary complements 9to5 Seating's popular task chairs Neo, Neo Lite, Vault, and Theory in any contemporary private office, flexible workspace and desking areas.

TOUGH & HARDWORKING

Clary hits above its weight class with durability, features and options that make it essential breakroom or multi-purpose seating. Clary stacks five high on the floor and five high on a dolly, making storage easy. The wall-saver design protects surrounding surfaces while the waterfall seat and molded foam promote healthy circulation and supportive comfort.

Clary can be customized to work in any environment thanks to a broad selection of mesh types and 26 colors that are bleach cleanable along with thousands of textile options. Choose with arms or without, pick silver or black frame colors and add glides or casters to finish the look. Explore the possibilities online with Chair Designer.

VERSATILITY ANYWHERE

With workspaces breaking out of the confines of the traditional office, adaptable seating is mission-critical. Clary, with its mesh or upholstered back choices and silver and black frame options, was designed to complement multiple 9to5 Seating task chairs: Neo, Neo Lite, Vault, Theory and Aria. It completes the design of a contemporary private office, lobby, benching area, huddle or break room. And Clary was made for easy portability and storage, too, as workspace function is fluid and versatility wins.
