VERSATILITY ANYWHERE

With workspaces breaking out of the confines of the traditional office, adaptable seating is mission-critical. Clary, with its mesh or upholstered back choices and silver and black frame options, was designed to complement multiple 9to5 Seating task chairs: Neo, Neo Lite, Vault, Theory and Aria. It completes the design of a contemporary private office, lobby, benching area, huddle or break room. And Clary was made for easy portability and storage, too, as workspace function is fluid and versatility wins.
