FEATURES

CLASSIC DESIGN
The Logic collection of task, conference and stool seating comes in multiple sizes, including plus size and multi-shift options. A wide variety of back, seat, base, arm and control options create an assortment of ergonomic opportunities that make Logic more versatile and comfortable than any chair in its price range.

ERGONOMIC DESIGN
Logic is loaded with ergonomic options including multiple controls, adjustable height ratchet backs, adjustable arms and seat sliders. Multiple controls including basic task, multi-function and synchro tilt are available. The height adjustable back on some models provides lumbar support and is easily adjusted from a seated position.

DESIGNED FOR COMFORT
The seats and backs are made of highly resilient molded foam. A waterfall seat promotes circulation and good health.

CUSTOMIZATION

Logic combines comfort with customization. Logic covers all body sizes and work needs by offering multiple back heights including low, mid and high. Logic heavy duty offers multi-shift capabilities and is rated to 350 lbs. Each back height offers a variety of arm and control options.

LOGIC PLUS

Logic plus offers a large seat and back and is rated to 500 lbs. 4-way adjustable arms or 2-way breakaway arms available for specialized work environments. A heavy duty multi-function control with seat slider adjustment provides added durability.

RELIABILITY AND DURABILITY

Lifetime durability combined with versatility and affordability make the Logic collection ideal for day-to-day performance and a great look in any workplace. Ballistic nylon on the back is available for added durability.
