A ROCKING ADDITION TO TODAY'S OFFICE

Maximize energy at meetings and at work with Remy's curved, rocker-shaped base that keeps you moving throughout the day. Its 20° of rock and 360° of swivel encourages you to shift your weight left-to-right or front-to-back while allowing you to remain focused on the task at hand.

ABSOLUTE VERSATILITY

Remy is an ideal solution for many different settings: collaborative, huddle, hot desking, and other impromptu spaces. It can be the star of a transition to an ergo-friendly office or an impressive part of the supporting cast.

EASY ERGONOMICS

Remy's under-seat push buttons allow you to adjust height easily, making it simple to go from sitting to perching. It features a secure non-slip and non-skid tread on its convex base for a confident sit.

COMPLETE DESIGN FREEDOM

The comfortable molded foam seat can be upholstered in any fabric. Remy can blend in or stand out in your choice of a black or white frame.
