HIGH DENSITY WITH HIGH DESIGN

The difference is in the details
PERSONALIZATION AND CUSTOMIZATION
Use Mimi’s modern plastic color palette to brighten up and personalize any work area or public space. Choose from 12 plastic colors and two frame colors to find the combination that fits your setting.

DESIGN AND COMFORT
Mimi is a multipurpose seating solution that offers movement, back support, comfort and flexibility. Mimi’s movement is dual action with the back motion as well as pelvic support. You get movement when you want it and constant pelvic support to provide the right balance of comfort and ergonomics. However, you choose to sit and however many times you move and shift throughout the day, our Mimi is right for you.
