a perpetually forward-thinking company

9to5 Seating is a vertically-integrated, privately owned company, founded in 1986, which specializes in the design and production of ergonomic office seating to accommodate the rigorous demands of today’s office environments.

9to5 Seating presents an extensive collection of executive, task, guest, conference, stool and lounge seating. Customization is an everyday demand that 9to5 Seating embraces; seats, controls, arms, chair adjustments, finishes, and upholstery options are plentiful.

9to5 Seating combines its state-of-the-art, in-house manufacturing systems with a commitment to continuous improvements in all phases of the operation. With over 500,000 sq. ft. of manufacturing resources, we are confidently empowered to deliver products offered at unparalleled pricing, with quality built into every phase of manufacturing.
what’s new 2019

This year, 9to5 Seating introduced new innovative seating options for use in executive, conference, task, lounge and waiting areas. Seating solutions for your dynamic workstyle.

In a major reshoring effort to bring manufacturing jobs back to the United States, 9to5 Seating recently opened its third manufacturing facility in Union City, Tennessee. The facility is known as Made in America Seating, sister company to 9to5 Seating.

The experience and the hard work ethic of the American workforce, that make up Made in America Seating facility, bring the products closer to their point-of-use in the United States and surpass competitors’ products from overseas.

Companies today demand the most for their money and 9to5 Seating is prepared to deliver the highest quality product without sacrificing selection or speed of delivery.
9to5 Seating is committed to sustainable and environmentally responsible business practices. This global perspective is endorsed and executed throughout every aspect of our corporate culture, and within our warehousing, manufacturing and office facilities.

9to5 Seating is fully aware of the dire consequences of irresponsible manufacturing processes and mistreatment of the earth’s resources. 9to5 Seating is a member of the U.S. Environmental Protection Agency’s WasteWise Program established to eliminate costly municipal solid waste and select industrial wastes, benefiting the environment.

We are proud to demonstrate our commitment by offering GREENGUARD GOLD Certified products, participating in the U.S. Environmental Protection Agency’s Waste Wise Program, achieving LEED® NC Gold Certification for our corporate headquarters facility and achieving level®, BIFMA’s sustainability certification program for furniture.

9to5 Seating products:
- Contribute to healthier interior environments
- Level 1 certified
- Add points for LEED Certification
- Manufactured using plastic, nylon, steel, aluminum and polypropylene components that are 100% recyclable
- Use supplies that share an earth-friendly philosophy
- Certified below chemical emissions limits for TVOC, Formaldehyde, Total Aldehydes, Individual VOCs, 4-phenylcyclohexene

Environmental Data Sheets for all 9to5 Seating products can be found at our website www.9to5seating.com.

vertically integrated

- CAD DESIGN
- CNC MOLD & DIE FABRICATION
- PLASTIC INJECTION MOLDING
- FOAM INJECTION MOLDING
- METAL BENDING AND WELDING
- ADVANCED ROBOTIC MANUFACTURING
- ALUMINUM DIE CASTING & POLISHING
- POWDER COAT FINISHING
- TESTING LABORATORY
While 9to5 Seating has many years of experience in the manufacturing of office seating, we truly differentiate ourselves from our competitors through our vertical integration, with wholly owned manufacturing facilities in both the United States and Asia.

It is through this combination of vertical integration, with both domestic and foreign manufacturing, that we can offer the customer the product options and wide selection of upholstery at prices that rival foreign manufactured products.

Most of our competitors buy various parts from suppliers overseas. Since they do not own the factories supplying these components, they can neither control the consistency of the raw materials going into the product nor can they control the environment in which the part is manufactured.

At our factories, we ensure the quality of our materials by purchasing premium raw materials from world-renowned suppliers such as BASF. Additionally, our factory operates at the highest environmental standards to ensure both the well-being of our employees and the planet.

Companies today and in the future, demand the most for their money without sacrificing quality, selection, and speed of delivery. 9to5 Seating is prepared to deliver.
lifetime warranty

9to5 Seating products are manufactured with meticulous attention to detail to achieve a level of quality that is free from defects in material and workmanship. In an effort to stand behind this philosophy, 9to5 Seating warrants to the original user of the product and from the original date of purchase, the following:

With the exception of products noted below Lifetime Warranty to the original end user, the company will repair or replace, at its option, without charge to the original purchaser only, factory defective structural and mechanical parts. This warranty is for single shift, standard commercial usage, defined as a standard 8 hour work day, five days a week. Weight limitations vary by product.

Upholstery fabric and foam is warranted against wear through and deterioration during normal usage for a period of five (5) years. However, the company does not warrant leather against routine scratching and scuffing, as all leather is subject to minor blemishes during use. COM and COL are not warranted. Due to natural variations in material, furniture containing leather is sold subject to normal variations and/or irregularities of color, texture, and grain. For Aria High Back HD, Logic HD, Logic Plus, Enduro, Theory HD and Strata HD chairs, please contact customer service.

Send parts to: 9to5 Seating - Warranty Department, 3211 Jack Northrop Avenue, Hawthorne, CA 90250
9to5 Seating will inspect the part in question, repair or replace at its option any defective part at no charge and return to the original purchaser.

This warranty does not apply to product or parts of product that have been subjected to misuse or abuse, accident, alteration, unauthorized repair or which have been damaged in transit. You agree to indemnify and hold harmless 9to5 Seating, its officers, directors, shareholders, employees, and agents from any actions, claims, demands, damages, liabilities, costs, and strict liability in tort or contract, or any other legal theory arising out of the misuse or abuse, alteration, or damage in transit of the product.

LIMITATION OF LIABILITY

Under no circumstance, including but not limited to breach of contract, breach of warranty or negligence, shall 9to5 Seating be liable for lost profits, loss of goodwill, stored data, general, special, consequential or exemplary damages, even if 9to5 Seating had notice of these damages or they were foreseeable. 9to5 Seating shall not be responsible for verifying dealer’s or customer’s description of needs, data, or the fitness for a particular purpose of goods. 9to5 Seating’s Liability in all cases shall be limited to repair or replacement of the defective parts, or the purchase price of the product. Damages resulting from misuse, abuse, alteration, negligence, or accidents are not covered under this warranty.

9to5 Seating makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, express or implied, other than those set out here. As codes and standards vary from one jurisdiction to another, references to compliance are solely for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall 9to5 Seating be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary, damages.

ANSI/BIFMA

The Business and Institutional Furniture Manufacturer’s Association (BIFMA) has developed tests which have been approved by the American National Standards Institute (ANSI) for determining the strength and durability of seating in its everyday use. This statement does not serve as a warranty or guarantee, however 9to5 Seating products found within this price list generally meet or exceed applicable BIFMA and ANSI standards.

For complete text of warranty, please call 9to5 Seating at: 310.220.2500 EXCEPT AS OTHERWISE PROVIDED, 9to5 Seating MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
