Government Seating Solutions

Contract No. GS-28F-0013X
Schedule 71, Furniture
Green Practice

9to5 Seating is committed to sustainable and environmentally responsible business practices. Responsible sourcing is a process we take very seriously. We work hard to ensure that the chairs we manufacture are safe for our customers and are produced in an environmentally and socially responsible manner. This global perspective is endorsed and executed throughout every aspect within our corporate culture, warehousing, manufacturing, and office facilities.

We are proud to demonstrate our commitment by offering GREENGUARD Certified products. Our entire product line earned GREENGUARD Gold Indoor Air Quality Certification issued by the GREENGUARD Environmental Institute. Additionally, 9to5 Seating participates in the U.S. Environmental Protection Agency’s Waste Wise Program and has been awarded the prestigious LEED® NC Gold Certification for our flagship factory and corporate headquarters in Hawthorne, California. Our Hawthorne headquarters uses a solar powered rooftop photovoltaic panel system to generate electricity for the facility. This solar panel system has generated over 4,750 kWh since 2011; as a result, we have saved over 600 tons of CO₂, 15,000 trees, and 67,500 gallons of gas. To view how much power we are generating in real-time visit our solar portal at: www.9to5seating.com/solar.

At 9to5 Seating, we are aware of the potential impacts that today’s environmental challenges will have if they are left unaddressed. That is why we will continue to reduce our carbon footprint and strengthen our commitment to thinking and acting green. To learn more about our green practices, please visit: www.9to5seating.com/green_statement.php

Vertically Integrated

We differentiate ourselves through vertical integration. Chairs are manufactured and shipped from our flagship factory in Hawthorne, California and many of our component parts are made in our factory located in Union City, Tennessee. Unlike our competitors who buy most of their parts from outside suppliers, we can control the consistency of raw materials used to build our products. We save time, money, and resources by doing this in house. These savings are then passed on to you.

The ingenuity in our ergonomic designs and vertical manufacturing process reflect a high level of quality and craftsmanship you can expect every time you sit in a 9to5 Seating chair. We offer quality seating built to last, which is why we stand behind our Lifetime Warranty.
## ABOUT

Founded in 1982, 9to5 Seating is a vertically integrated manufacturer, specializing in the design and production of ergonomic office seating to accommodate the rigorous demands of today’s office environments. While 9to5 Seating has many years of experience in the manufacturing of office seating, it truly differentiates itself from its competitors by its vertical integration with manufacturing facilities globally. It is through this combination of domestic and global manufacturing that we are able to offer the customer the options and the wide selection of upholstery material only available when the product is manufactured in the United States, but at prices that rival products that are totally of foreign manufacture.

- Heavy duty synchro-tilt or multi-function control
- Molded high resilient foam is used on every seat and back for ergonomic support and durability
9to5 Seating warrants to the original user of the product and from the original date of purchase, the following:

- With the exception of products noted below, Lifetime Warranty to the original end user, the company will repair or replace, at its option, without charge to the original purchaser only, factory defective structural and mechanical parts. This warranty is for single shift, standard commercial usage, defined as a standard 8 hour work day, five days a week. Weight limitations vary by product.

- Upholstery fabric and foam is warranted against wear through and deterioration during normal usage for a period of five (5) years. However, the company does not warrant leather against routine scratching and scuffing, as all leather is subject to minor blemishes during use. COM and COL are not warranted. Due to natural variations in material, furniture containing leather is sold subject to normal variations and/or irregularities of color, texture, and grain.

For Logic Plus™, Enduro™ and Strata™ Heavy Duty Series, please contact 9to5 Seating.

Should parts fail for any model during normal use within the applicable warranty period, please provide 9to5 Seating with a description of the failure and proof of purchase (Sales Order number located on the bottom of the chair) and if necessary you may need to return the defective part, freight prepaid to 9to5 Seating for inspection, repair or replacement, together with a copy of original sales receipt. Labor and installation service is not covered under warranty. Please do not send parts without prior authorization.

Send parts to:
9to5 Seating - Warranty Department
3211 Jack Northrop Avenue
Hawthorne, CA 90250

9to5 Seating will inspect the part in question, repair or replace at its option any defective part at no charge and return to the original purchaser.

This warranty does not apply to product or parts of product that have been subjected to misuse or abuse, accident, alteration, unauthorized repair or which have been damaged in transit. You agree to indemnify and hold harmless 9to5 Seating, its officers, directors, shareholders, employees, and agents from any actions, claims, demands, damages, liabilities, costs, and strict liability in tort or contract, or any other legal theory arising out of the misuse or abuse, alteration, or damage in transit of the product.

Limitation of Liability
Under no circumstance, including but not limited to breach of contract, breach of warranty or negligence, shall 9to5 Seating be liable for lost profits, loss of goodwill, stored data, general, special, consequential or exemplary damages, even if 9to5 Seating had notice of these damages or they were foreseeable. 9to5 Seating shall not be responsible for verifying dealer’s or customer’s description of needs, data, or the fitness for a particular purpose of goods. 9to5 Seating’s Liability in all cases shall be limited to repair or replacement of the defective parts, or the purchase price of the product. Damages resulting from misuse, abuse, alteration, negligence, or accidents are not covered under this warranty. 9to5 Seating makes no warranty that any of its products are suitable for any particular purpose and makes no other warranties, express or implied, other than those set out here. As codes and standards vary from one jurisdiction to another, references to compliance are solely for convenience and without any representation as to accuracy or suitability. Users must verify the suitability of such information or product for their specific application. In no event shall 9to5 Seating be liable in either tort or contract for any loss or direct, special, incidental, consequential, or exemplary, damages.

ANSI/BIFMA
The Business and Institutional Furniture Manufacturer’s Association (BIFMA) has developed tests which have been approved by the American National Standards Institute (ANSI) for determining the strength and durability of seating in its everyday use. This statement does not serve as a warranty or guarantee, however 9to5 Seating products found within this price list generally meet or exceed applicable BIFMA and ANSI standards.

For complete text of warranty, please call 9to5 Seating at: 1.888.925.SEAT

EXCEPT AS OTHERWISE PROVIDED, 9TO5 SEATING MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
