## Education-Friendly Seating

From single guest seats to lounge collections, discover a wide selection of education appropriate seating and tables for classrooms, multipurpose rooms, cafeterias, admin offices and beyond. All our seating is durable enough to withstand the demands of heavy traffic, and many of our models feature a clean-out space for easy maintenance.

## About Us

Sit down and get comfortable. While sitting may come naturally, you're not always guaranteed it will be comfortable. Even when you do find a chair that's comfy, you won't feel that way if the selection, purchasing, delivery, or customer service was a pain.

At 9to5 Seating, we are 100% focused on seating and take a 360-degree look at every aspect of the process to ensure you're always at ease. While other manufacturers invest in diversifying their offerings, we are completely invested in making the most personal piece of furniture—seating—align with all your needs.

From task to lounge, we are designing and delivering beautiful, resilient, dependable chairs that are backed by one of the best warranties in the industry. So, go ahead, sit back, relax, and stay comfortable with 9to5 Seating.

Seating for an evolving world.

9to5  
seating

Students thrive in engaging environments whether that's at school, in a training room or at home. Our products deliver support through innovation, whether it's a flexible back or designed-in ergonomics – features that don't just offer comfort but help energize users and get them ready to learn.

K-12 Classrooms  
Higher Ed Classrooms

# K-12 Classrooms

Built with the highest quality construction and premium materials, Bella is reliable, durable seating perfect for classroom settings. Bella with a mesh back makes for breathable seating and helps with space planning while the five-star base enables easy collaboration and changeable seating. Bella's variety of models can outfit entire schools from the classroom to the lab.

VOX

BELLA 5-STAR

BELLA MESH

TORI

# Higher Ed Classrooms

Higher education spaces call for flexible seating. Vox and Dash fit the bill with optional casters and an easy-grip edge for quick, changeable space planning—or, on the four-leg model, easy stackability. For focused work, add the Tori task chair, while Vox and Dash’s innovative flex back delivers all-day comfort, plus durability and easy cleaning.

DASH

LILLY

ZOOM

# Lecture Seating

Where students sit for long periods of time, seating that supports attention and learning is key. Vox's unique flex back delivers responsive movement that encourages active posture and relieves pressure points for all-day comfort, with optional casters and an easy-grip edge for quick reconfigurations. For fast turnarounds and tight footprints, Zoom brings smart nesting and a breathable mesh back—ideal for high-traffic, high-flex classrooms.

VOX SLED

VOX

Every student knows that learning isn't limited to classrooms. Whether it's a late-night study session in the library, group assignment research during recess, or study groups in the school lounge, education is an anytime endeavor. Seating that supports learning – is comfortable, adjustable, and supportive – is an absolute essential anywhere students gather.

LILLY LOUNGE AND STOOL

# Student Commons

Student gathering spaces should feel inviting and not just functional. The Lilly collection transforms these areas into stylish oases with roomy, curved silhouettes and multiple base options—including a rocker. Add the Jax lounge collection for modern lounge forms that invite conversation and create standout moments. Versatile modular seating Koble isn't just an aesthetic knockout; it's fully customizable with built-in lumbar and comfort-calibrated seats.

JAX

KOBLE

# Multipurpose Rooms

Rooms that serve multiple purposes need multi-faceted seating solutions. Koble, our modular collection, is built for design flexibility—from expansive sectional layouts to standalone seats that be configured to fit any space. Pair with Vox and Dash for agile classroom-to-collab transitions: optional casters and an easy-grip edge support quick moves, while four-leg models stack to save space. Vox’s unique flex back encourages an active posture for longer sessions, and both chairs are durable and easy to clean - making them ready for high-traffic campus use.

LILLY SIDE | ZOOM

# Library & Collaboration

Libraries are becoming learning commons, requiring areas for group work in addition to individual study. Students need areas throughout the day where they can settle when not engaged in class or group work.

KOBLE

SHUTTLE

# Cafeterias

Learning happens everywhere—dining halls and cafeterias are no exception. These dynamic spaces get a boost from seating with great design. Shuttle brings inviting, easy-clean performance with high-traffic durability and stack-friendly efficiency. Dash adds designed-in ventilation and cooling in 12 dynamic plastic colors. And Koble, our modular lounge solution, extends the experience with configurable pieces that flex from solo study to group gatherings—comfortable, durable, and fully customizable.

CAVO

## Cafeterias

Learning doesn't stop when the bell rings. Lunchrooms and cafeterias are where ideas flow. Seating products like Cavo, created by designer Claudio Bellini, is the careful combination of form and function for expertly calibrated ergonomics. Vox is adaptable, comfort-centered seating that's durable and easy to move for flexible space planning. Slim, sleek and stackable, Kelly has a durable shell and a sleek silhouette for smart space planning.

KELLEY

VOX

At the heart of any educational organization is its staff. Outfitting the administrative spaces with products that support their wellbeing alongside their comfort makes a big – and important impact. Today's innovative seating can go beyond comfort to energizing and invigorating users who play an essential role at the heart of education.

Administration Offices  
Conference Rooms

# Administration Offices

School administration works long, sometimes stressful days. Seating needs to support comfort and productivity. Luna's smart space-conscious and style-forward design including its distinctive polished aluminum accents on its Black or Dove Gray frame make every office look and feel like the corner office. Lean, sleek and contemporary, Neo Lite has a saddle-style molded foam seat without stitching for adaptable design. Claudio Bellini-designed Tori is an artist's rendition of beauty and efficiency with a unique wraparound back in mesh or upholstery.

JAX SIDE

ELLIE

# Conference Rooms

Whether it's a teachers' meeting, a study group, or a small class or discussion group, conference rooms are where concentration happens on campus. Mila brings design-forward performance with seamlessly integrated controls tucked beneath the seat for intuitive comfort in long sessions. Round out the room with Jax and Ellie—inviting guest and lounge options that balance modern aesthetics with supportive comfort for collaborative conversations.

MILA

# Conference Rooms

Gathering for the important business of education requires a space with gravity. Aven's classic styling, lean back with built-in lumbar, fabric options and geometric arm options deliver a sophisticated contemporary style. Alba makes a statement with its mid-century style and expert craftsmanship that includes horizontal channel stitching, and distinctive wraparound arm.

# Learning Today

## Learning Today

Fluid areas that adapt to changing concepts are the trademark of active learning facilities. Students are learning together, collaborating in groups and interacting with teachers. New tools and teaching methods allow learning to happen anywhere, at any time. Schools and campuses continue to inspire and support a community of learning through meaningful connections among students, faculty and administrators.

## Choose 9to5 Seating

9to5 Seating collections are designed to support the transformation in how we learn. Each series plays an important role in bringing comfort, durability, sustainability and versatility to learning environments. 9to5 Seating is headquartered in Hawthorne, California.

## Value Oriented

Our total value pricing means our products help you make the most of your financial resources.

## Durability and High Performance

Each and every product is designed to hold up to the demands of student life and is backed by a lifetime warranty.

## Sustainability

9to5 Seating is committed to sustainable and environmentally responsible business practices. This global perspective is endorsed and executed throughout every aspect of our corporate culture, and within our warehousing, manufacturing and office facilities. All of our products are LEVEL® 2 certified and HÅG Celi, HÅG Capisco, HÅG Capisco Puls, HÅG Tion have achieved LEVEL 3.

Choose from over 1,000 textiles offered by C.F. Stinson, Designtex, Maharam, Momentum, and 9to5 Seating's Signature, Breeze and Nautilus Cards. In the rare case we don't have what you're looking for, we'll upholster your chair in any fabric provided to us!

**Lifetime Warranty** on all structural and mechanical components. Fabric and foam are warranted against wear through and deterioration for five years.
