Show off your conference room with mid-back classic style that features black or chrome wraparound arms with great 9to5 Seating fabric and leather selection as well as COM/COL.

Classic styling meets modern comfort with simple, clean, and elegant lines. Alba features a swivel tilt control that locks upright or allows free float for easy comfort, while 9to5 Seating's signature in-house molded foam provides lasting support in the seat and back.

Wraparound arms add a sharp accent from every angle, and a polished base with matching chrome gas lift completes the look—modern sophistication with timeless appeal.
