FEATURES

PASSIVE OR ACTIVE ERGONOMIC FUNCTION

Acclaim has three control options each with its own level of ergonomics.

Take the passive approach in your conference area with the W2- a weight balanced control that will self-adjust to your body weight and movement. The W2 has a unique 4 position back recline limit feature.

For a more ergonomic control, select the Y2 with multiple tilt lock positions, side tension adjustment and evenly smooth recline.

MULTIPLE ARM OPTIONS TO FIT YOUR STYLE

Three fixed arm options including the A27 polished aluminum arm with matching padded arm caps. For a full ergonomic package, choose the 8 or 10-way adjustable arms.

SKILLFULLY SCULPTED SEAT AND BACK

A waterfall seat and the dual density foam provides a plush feel yet a firm support that makes long hours at the office a cheer not a chore.

MULTIPLE BASE OPTIONS

27" mid-profile black nylon base with 60 mm hoodless casters standard or upgrade to a polished aluminum mid-profile base with chrome matching gas lift and chrome accented 60mm casters.
