

Bella

NAME YOUR GAME, BELLA IS READY TO PLAY.

9to5
seating

Designed for comfort, durability and quick transitions, Bella's stacking, nesting, task and stool models bring practical solutions to meeting spaces.

From flexible training areas, to dedicated workstation spaces, to the countless gathering opportunities in between, the Bella collection possesses an impressive design that delivers comfort and flexibility.

Bella nesting model is lightweight and the seat easily folds for high-volume storage.

Task models are ideal for collaborative spaces, meeting rooms and other workspace areas. Arm and armless models available. Or for higher working surfaces, the stool models are ideal.

We've got a Bella for every working and meeting space. Choose from our 4-leg stacker, nesting, light task and stool model with plastic, mesh back or upholstered seats. Customize with 8 plastic colors, 3 mesh colors and 2 powder coat colors.

Molded from high-impact thermoplastic for extra durability, the Bella's back offers full support but the smooth surface is aesthetically pleasing and easy to clean.
