FEATURES

ELEVATE THE SPACE

Cavo is more than a multipurpose chair. It's a high-design seating solution that delivers multipurpose convenience in spaces where design matters. Engineered for durability and cleanability, Cavo is as reliable as it is fashionable. Created by leading Italian designer Claudio Bellini, Cavo delivers a touch of elegance and real performance that makes it perfect for corporate, healthcare and education. And with models including guest, stool and bariatric, Cavo is an adaptable enterprise solution, from the café to the classroom, collaboration spaces to meeting rooms.

PROTECT PEACE OF MIND

Cavo is an investment in confidence. Designed for high-traffic environments, Cavo was created to withstand frequent thorough cleaning. And with a breadth of weight capacity options—including 350 lb weight rating for guest and stools and 750 lb weight rating for bariatric—the collection is a champion of access. The wall-saver frame design prevents scuffing, while the edge-to-edge under seat cover enables serious stacking: seven on the floor and ten on dolly.

CUSTOMIZE TO PERFECTION

As an enterprise-wide solution, Cavo is infinitely customizable. From all plastic, upholstered seat or fully upholstered models, choose silver or black frames, with or without arms and gray or black padded arm finishes. Select a textile from thousands of possibilities and customize using Chair Designer from 9to5 Seating.
