## FEATURES

---

### NATURE'S INFLUENCE

Cydia's design comes from the shape of a butterfly's wings, beautiful yet very graceful. A butterfly's magical beauty inspired the design contours of the frame. Grace and elegance are carried through every element of the design.

### FITS YOUR NEEDS

Cydia is the perfect solution for today's more collaborative, less formal workspaces at a very affordable price. From the graceful curve of its arms to the woven mesh or soft upholstery, Cydia provides both ergonomic support and long-term comfort. It meets your needs to allow you to work anywhere and everywhere. The Cydia family includes task, conference, side, stool, lounge and ottoman models.

### MATERIAL CHOICES

Choose between all mesh or upholstered. The upholstered option includes woven mesh beneath the fabric for a soft, comfortable and supportive feel.

### SIZE CHOICES

Full-scale and mid-scale models for maximum versatility.

### ARM OPTIONS

Choose fixed loop arms or six-way adjustable arms for office, meeting rooms or collaborative settings.

3310; M12 Gray

Task: 3300;M32 Slate

### **CYDIA**

Cydia is the ideal choice for today's more collaborative, less formal workspaces at an incredible value. It meets your needs to allow you to work anywhere and everywhere. The Cydia family includes task, conference, side, lounge, stool and ottoman models.

### **MESH AND UPHOLSTERED OPTIONS**

Cydia offers versatility to choose between mesh and upholstered models. Offered in fourteen vibrant mesh colors and thousands of textile selections or COM.

### **ADJUSTABLE LUMBAR**

The optional adjustable lumbar with the distinctive butterfly inspired form enhances both the comfort and style of Cydia.

INTERIOR  
DESIGN

Cydia was honored as the Winner, Budget Minded Design Solutions, by the INTERIOR DESIGN HiP recognition program at NeoCon 2014. This initiative honors achievement in product applications.
