TRANSITIONAL STYLE WITH
LIMITLESS POSSIBILITIES

9to5[®]
seating

FEATURES

CONNECT WITH LINK

Link is versatile and ideal for numerous applications, including lobby areas, meeting and conference rooms and collaboration spaces. Utilize glides or casters to meet all your seating needs. Available in mesh, plastic and upholstered back versions, the Link series can be customized to help designers specify any workspace.

BY DESIGN

The Link series provides the feel of a large side chair with a clean and slender profile. The convex shaped back and contoured seat provide ergonomic support with contemporary design.

WALL SAVER

Wall saver legs help protect surrounding surfaces. Model 1410.

WEIGHT RATING

300 lbs. on all models.

1410: Momentum Cover Cloth Cyan

MIX AND MATCH

Link combines comfort with versatility. Choose between multiple back styles including mesh, plastic and upholstered. Mesh available in six colors including black, gray, silver, green, red and blue.

STACKABILITY

Link chairs stack 4 high on the floor and 4 high on optional cart.

CHOICE AND DESIGN CAPABILITIES

Durable powder coat in two finishes – black and silver. Soft touch arms available in black and gray to coordinate with frame finishes.
