FEATURES

HARMONY

Tori is an innovative and impactful designer task series that integrates form and function for a seating experience like no other. Imagined by designer Claudio Bellini whose design expresses the harmony of beauty and efficiency, Tori boasts a warm, versatile style with soft curves and an elevated, intentional aesthetic that delivers influence impact—design that tells a story.

DISTINCTION

Tori embodies impactful design: a true marriage of aesthetics and ergonomics for an elevated seating experience that goes beyond comfort to inspiration—all at an accessible price point. Tori's signature wraparound back design not only makes the chair impactful from the back or the front, it creates a natural curve that provides lumbar support with aesthetics. Ergonomics are delivered invisibly through the frame and responsive mesh. Tori's unique wraparound back is more than a design detail—it's the embodiment of purposeful functional design.

VERSATILITY

Tori comes loaded with ergonomic features including multiple synchro mechanisms, height-only, height and width adjustable or 4D arm adjustments, a seat slider and an optional lumbar. Also designed-in are accessibility options that support a wide range of users. Tori comes standard with a 300 lb. rating but offers heavy duty options with 350 lb. ratings across multiple shifts. Available in high back or mid back with a mesh or upholstered back, Tori is also available as a task stool.

IMPACT

Tori goes beyond performance to offer influence impact—every chair is an expression of an enterprise’s story. The mesh collection has a tech look that synchs with today’s clean design consciousness and comes in a variety of muted pastel colors. Tori’s multiple frame colors together with the thousands of fabric options and Chair Designer make customization easy.

BALANCE

Tori is a green seating solution that supports the environment along with the well-being of the user. Built to last, Tori is backed by 9to5 Seating’s limited lifetime warranty and can be easily disassembled and recycled. Tori is LEVEL 2 and GREENGUARD GOLD certified.
