Healthcare-Friendly Seating

From single guest seats to lounge collections, discover a wide selection of healthcare appropriate seating and tables for lobbies, exam rooms, meetings rooms and beyond. All our seating is durable enough to withstand the demands of heavy traffic, and many of our models feature a clean-out space for easy maintenance.

Healthier Hospitals

Many 9to5 Seating chair models meet the Healthier Hospitals Safer Chemicals Challenge for Healthy Interiors Version 2.0 when conforming to the following configuration guidelines:

- Chair models must be manufactured utilizing any of the Healthier Hospitals compliant textiles.
- Products must not be ordered with CAL 133 option.
- Products must not be upholstered in any form of vinyl materials or use stain or water repellent treatments that contain PFC not meeting HH safer chemicals challenge version 2.0.

GREENGUARD Gold Certified

All our products meet GREENGUARD Gold certification which tests for emission levels for environments like schools and healthcare facilities.*

BIFMA LEVEL Certification

HÅG Capisco, HÅG Capisco Puls, HÅG Celi and HÅG Tion are LEVEL 3 certified. All other 9to5 Seating products are LEVEL 2 certified.

High-Performance Textiles

9to5 Seating carries a full selection of textiles that are uniquely suited for high-traffic areas to keep mold, mildew and bacteria under control.

About Us

Sit down and get comfortable. While sitting may come naturally, you're not always guaranteed it will be comfortable. Even when you do find a chair that's comfy, you won't feel that way if the selection, purchasing, delivery, or customer service was a pain.

At 9to5 Seating, we are 100% focused on seating and take a 360-degree look at every aspect of the process to ensure you're always at ease. While other manufacturers invest in diversifying their offerings, we are completely invested in making the most personal piece of furniture—seating—align with all your needs.

From task to lounge, we are designing and delivering beautiful, resilient, dependable chairs that are backed by one of the best warranties in the industry. So, go ahead, sit back, relax, and stay comfortable with 9to5 seating.

*These chemicals include any of the 800+ chemicals that the California Office of Environmental Health Hazard Assessment (COEHHA) lists as a carcinogen or are a reproductive toxicant – including many common, everyday elements found in businesses of all kinds and sizes.

Healthcare isn't just about the time spent in the exam room. It's about the support team that accompanies the patient, using wait periods to multi-task and finding privacy and comfort when it's needed most.

Our healthcare products are specifically designed to tick these boxes and are durable for high-traffic spaces. They're practical, smart solutions that facilitate work, communication and communion.

LILLY SIDE

Lobby

In healthcare, first impressions matter. Koble is a stand-out for its innovative design features like built-in lumbar and comfort-calibrated seats that promote an engaged posture for long sits, transforming it into “soft task seating.” The Sophie collection offers flexible configurations, durable construction and easy maintenance. And the Lilly collection’s elegant style, multiple sizes and various bases, enables individualized design.

KOBLE

SHUTTLE

CAVO

LINK

Waiting Areas

Waiting shouldn't be boring. We know aesthetics matter. Created by Italian designer Claudio Bellini, Cavo is a high-design seating solution that delivers multipurpose convenience. A slim-profile frame with guest and bariatric seating makes Shuttle perfect for waiting rooms and reception areas. For a larger scale chair, the generously sized Link features plastic, upholstered and mesh backs.

STRATA STOOL

TORI

Admissions

Around-the-clock activity calls for task and guest seating built to withstand heavy usage. Link guest, Strata task, and Tori task chairs meet these demands and more—making them a smart, durable choice for the admissions area.

With the right design, healthcare settings can offer an extra boost of confidence to everyone who enters – whether that's a patient on an important visit or a caregiver on their daily shift. Our products are designed to provide reliable comfort through every part of the patient and caregiver's day at a medical facility, from the exam rooms and nurses stations to the training rooms and labs.

Exam Rooms

BELLA

Exam Rooms

Rooms where testing happens may be high-tech, but they also call for comfort. Cavo, with its welcoming design, durability, and ability to withstand frequent thorough cleaning, is a stylish addition to the space. Sophie adds ergonomic, easy-care support for staff during long sessions. And our Bella collection meets the needs of any exam room with a broad choice of guest, task, and task stool models.

CAVO BARIATRIC

Healthcare administrators are busy from the first patient to the last – and sometimes for hours after. They need support. Seating with ergonomic support that can be adjusted based on the user, mesh backs for cool sits and adjustments that maximize productivity are essential for keeping staff healthy and happy.
