Seating
for an
evolving
world.

Koble

For reception or rest, waiting or working, Koble is the one-stop solution for spaces that welcome people with its curved back that delivers built-in lumbar support.

Combining unique intuitive design with sustainable construction, the HÅG Tion is task seating that's nothing less than groundbreaking for distinctive spaces.

HÅG Tion

HÅG Celi

A playful aesthetic with sustainable construction and innovative engineering, the HÅG Celi delivers an active seating experience unique in a multipurpose stacking chair.

Aven

With a thin profile, curved back, and horizontal stitching, Aven is lean, clean, and angular design-forward seating for the executive office or conference room.

Lilly Ottoman

For lounge, reception or anywhere people want to put their feet up and stay a while. Custom fabrics and a selection of bases make the Lilly ottoman the perfect complement to the Lilly lounge or side.

The image shows three office chairs in a bright, modern office environment. The chairs are primarily blue with a mesh backrest and a teal fabric seat. They have white frames and five casters. The office has light wood flooring, white walls, and large windows overlooking a cityscape. A whiteboard is visible on the left wall, and a potted plant is on the right. A semi-transparent blue rectangle is overlaid on the center of the image, containing the word 'Tori' in a gold, sans-serif font.

Tori

Embodying functional design, Tori expresses the harmony of beauty and efficiency, with a unique wraparound back for lumbar support for a distinctive look with tasking functionality.

Chic
