

Cira

A LOUNGE COLLECTION WHERE ELEGANCE MEETS ENGINEERING.

9to5[®]
seating

Ideal for lobbies, lounges,
open collaboration zones,
cafés, meeting spaces,
and executive offices.

Cira is a lounge collection where elegance meets engineering. Its sleek silhouette and clean, minimalist style are both inviting and innovative—ideal for lobbies, lounges, open collaboration zones, cafés, meeting spaces, and executive offices.

The collection's refined proportions and sculptural lines bring a quiet sophistication to any environment, balancing comfort with an unmistakable design presence.

Cira features a designed-in relaxed sit with a natural, ergonomic recline angle that encourages comfort without compromising support. Its carefully engineered pitch allows users to sit upright and focus on work, or lean back into a gentle recline to collaborate, socialize, or recharge. This thoughtful balance of posture and support makes Cira as comfortable as it is stylish.
